

## **St Lawrence Jewry** **Special March 2020 Newsletter**

*St Lawrence Jewry is the church on Guildhall Yard, dedicated to bringing  
the light of Christ to the City of London.*

**Dear Friends,**

The ground is shifting beneath us all, but we stand firm on the rock which is Jesus Christ. In a climate of fear and uncertainty I urge us all as faithful Christians to have our eyes fixed on the greater things of life and to trust that we have assurance and hope in our Lord Jesus. I also encourage all members to be aware of their neighbours and to assist with shopping and practical help where needed, within the constraints of the advice we are being given.

Please note that all future concerts have been cancelled until further notice. At this stage we will plan to have no concerts until the beginning of September, which is beyond the predicted peak for Covid-19 virus. We are sorry to have to announce this, but people will, I am sure, understand. If this changes updates will appear here.

Our weekly services of Holy Communion are also cancelled in response to advice received today. There is information on the Church of England website about this ([www.churchofengland.org](http://www.churchofengland.org))

The church will, for the time being, remain open for prayer subject to any further changes in the advice we receive and to staff availability. Be in touch if I can help in any way.

Please watch the [website](#) for any further updates.

I hope to issue a weekly sermon on Twitter and our website, so do please watch out for that. If you are on Twitter it will be on <https://twitter.com/StLawrenceJewry> The Archbishops make it clear in their letter that the Church of England has far from shut up shop.

Please remember that our Lord and God the Father are unchanged in this situation and by the power of the Holy Spirit we will all get through this.

God bless us all.
